Live Foal Guarantee: This is defined as the following: A negative pregnancy test after the mare has been declared pregnant by a qualified vet, or a still born foal. (LFG) is given with return service the following season. If the foal does not stand up and nurse, the Mare Owner will be entitled to a return service. This guarantee applies only if the Mare Owner notifies the Stallion Owner within one week from death of foal. This notice must be accompanied by a Statement from a licensed Veterinarian. If the Mare is to be returned and the Mare Owner fails to deliver her for re-breeding the following year, then all fees will be forfeited, and the return service will be lost.
There is no LFG on the return service.

I/We agree that the attending veterinarian check my mare for normal breeding conditions and perform such other veterinary services as is deemed necessary at mare owner's expense.
All mares must be halter broken and able to be hobbled. The stallion owner reserves the right to refuse any mare for service.
Please ensure all mares are in good condition, drenched and vaccinated for Tetanus/Strangles and have had feet trimmed just prior to arrival.

All the information on this document is understood between all parties.
